INLAND FREIGHT

We specialize in land transport in Indonesia, providing various transportation options. Our top priorities are honesty, reliability, and exceptional customer service. Each customer receives our utmost care.

CUSTOMS

As a prominent Customs Clearing Agency, we specialize in facilitating hassle-free customs clearance for our clients, ensuring timely delivery of their goods. Our experienced Customs Brokers expedite import and export procedures and documentation for your shipments. By managing trade compliance and processes, we ensure smooth clearance for all shipments.

WAREHOUSE

In the current dynamic and competitive business landscape, the pivotal factor for success is a robust warehousing and distribution system. As a logistics service company, we pride ourselves on delivering superior warehousing services that efficiently cater to all your logistic requirements, ensuring minimal risk and maximum output. Our personalized Warehousing & Storage Services are designed to meet your specific needs, and we also offer storage in transit to further support your operations.

COURIER

PT. UMAIR not only provides solutions for local and global shipping, but also offers services for sending small packages and documents throughout Indonesia, with a range of delivery speed options available.

REMOVAL

Being one of the companies that assist people in moving to new locations in Indonesia, we provide a complete and thorough package to our clients, offering exceptional service and value for their money. Our services encompass packing the customer's belongings, taking care of all documentation, handling customs procedures, and ensuring fast and secure transportation of goods by air or sea, along with full services at the final destination. International relocation is a complex process that demands extensive experience, detailed planning, and meticulous coordination. It's not just about picking up and moving. It requires an organization that can adeptly and confidently manage the various challenges that arise during the relocation process.

CUSTOMER SERVICE

When engaging with 'PT. Umair Multi Solusindo', you can expect exceptional service from a committed logistics account executive and an operations account manager. These dedicated professionals collaborate to deliver personalized customer service round the clock. While your account executive evaluates your specific requirements to devise a tailored logistics plan, your account manager oversees the smooth transportation of your imports and exports from point A to point B. This cohesive approach ensures that your logistical needs are met with efficiency and precision, allowing you to focus on other aspects of your business operations.
